# About Us

## **DYNAMIC TEAM**

We are a dynamic team headquartered in Izmir/Turkey, with branch offices in Los Angeles and in London. Our mission is offer modern, high-quality products that will improve our customers' quality of life.

## **FULLY INTEGRATED MANUFACTURING**

From the design of new products to state-of-the-art laser cutting and powder coating lines, we manufacture our products in a fully integrated facility. Our plant is strategically located in close proximity to Port of Aliaga to maximize our distribution efficiency worldwide.

## **COMMITMENT TO EXCELLENCE**

We are committed to 100% customer satisfaction:

- Every product is designed with the best craftsmanship.
- We only use highest quality materials to maximize durability.
- From delivery to customer support, we stand behind our products.
